

John/Jane Doe

IDENTIFIED as JOHN CECIL EAGLE in December 2025
John Doe 1982, NamUs #11387, ACSO# 82-4379 “Kicking Horse Doe”

Our office recovered photos of 1982 John Doe’s fingers from archived evidence in the care of the Arapahoe County Sheriff’s office. In November 2025, our office submitted these photos to NamUs. Our office then received a positive identification from the FBI for John Cecil Eagle on December 9th, 2025. Shortly afterwards his family was notified and confirmed many of the circumstantial details in the case as well as that he had been missing since winter, 1981. He has been laid to rest after 44 years.

Our office was notified and responded to reports of a deceased individual on April 15th, 1982, in a field 500 yards NW of I-70 interchange at Peoria. The remains of the individual were found close to completely skeletonized. An examination of the deceased revealed that he is above 50 years of age and of Caucasian, American Indian, or Hispanic descent. No visible tattoos/scars. No wallet/ID located. Items recovered near the body:

1. Baseball-style hat with “Kicking Horse Job Corps”
2. Glasses with prescription + cylinder = -750+150+120, - cylinder = -600-150+30
3. Red and white handkerchief
4. White tennis shoes with white socks
5. Timex white metal watch
