Age When Missing:
Location:

August 15, 1978
29
Township of Knapp, WI

On August 15, 1978 the Jackson County Sheriff's Office was notified of a human skull, which was located in a remote area in the Township of Knapp. The above photo is a scientific reconstruction approximating the victim's appearance in 1978. The victim's hairstyle, the presence or absence of a beard, mustache, eye-glasses and eye color are unknown. One silver colored Medi-Stud brand earring was located near the body. The earring is believed to have been used by ear piercing salons.

In early 2021 this individual was identified as Dennis R. McConn, age 29 at the time of his disappearance. This case has not been solved and the manner of death is believed to be homicide. The photograph of the earring is the actual earring found near the body.
