Police and firefighters have a car Saturday afternoon from the water of the Lower Rhine in Gelderland Huissen hoisted. The car is Jos Mahler Doornenburg, who for sixteen years missing.

Relatives of the missing Jos Mahler watch in 1999 how the police get a car wreck from the Rhine. The wreck turned out to be the sought vehicle. © ANP.

Mahler's been missing since the end of November 1998. After a night out in Arnhem, he disappeared without a trace. Even his Polish girlfriend Majka and two Polish friends are never recovered.

It is not yet known whether the four bodies are found in the blue Datsun, which was located about 15 feet from the side. The police there serious note ,, that houses the bodies of one or more persons in the car. "

Overgrown with plants  
Divers have car seen at the bottom, overgrown by aquatic plants. A so-called crane boat

should get the car above the water.

Last weekend the Signi foundation had been looking at the scene. ,, Our sniffer dogs started barking and research with sonar showed that when there are two wrecks on the river bottom at a depth of 5 to 6 meters, " said a spokeswoman Saturday. Because of the flow could not then be further searched. One car is in its "pure waste ", the other car shows of the missing Mahler. ,, The search dogs slew after sixteen years still to human scent. "

15 rechercheurs  
After the disappearance are put there 15 rechercheurs the case. In 1999, as once dredged in the Rhine to the car. It was then indeed found a car, but this proved not to be of Jos.

Omroep Gelderland keep a live blog about the find. The interest from the neighborhood is great.
