

Mississippi Missing and Unidentified

November 8 at 5:03pm ·

SAD NEWS

Steven Austin Black has been missing since May 2015. More than two years later, Jackson Police said remains found Aug. 31 were identified as Black's Tuesday.

Black was 44 when he went missing. His body was found rolled up in a blue tarp when a cleaning crew was preparing a recently purchased home. The cause of death was ruled a gunshot wound to the head.

The day after his body was found, a suspect, Robert Paige, was found in the bottom of a lake. Hinds County Sheriff's Department said at the time that Paige's car went off the road and into the lake.

JPD Cmdr. Tyree Jones said there is no information on what led to Black's death. Black was arrested for grand larceny Dec. 4, 2014.

Investigators are not seeking any further suspect information at this time.
