On November 30, 2020, human remains were discovered in a field along the Illinois Bayou near Broomfield Road. Pope County Sheriff's Department Investigators, along with Arkansas State Police Special Agents, responded to the scene and collected the remains. The remains were sent to the Arkansas State Crime Lab and were identified as Pope County, Arkansas missing person, Mark Austin.

The remains were found within an approximate mile of Mr. Austin's home and the Arkansas State Crime Lab has listed the manner of death as undetermined. The investigation is ongoing at this time. Sheriff Jones requests anyone with information in this case, please contact Lt. Dain Yarbrough with the Pope County Sheriff's Department.
