### **DDP Status:**

The DNA Doe Project announced they had tentatively identified Pillar Point Doe, pending confirmation by the San Mateo County Sheriff's Office. No further details, including the name, can be released at this time.

We would like to express our sincere sympathy and gratitude to the family as the investigation continues.

We would also like to thank the San Mateo County Sheriff's Office, Othram Inc., Full Genomes Corporation, Inc, Dr. Gregory Magoon at Aerodyne Research, GEDmatch, FamilyTreeDNA, NCMEC, and our team of dedicated DDP volunteers. And a special thanks to the Trans Doe Task Force and their team of volunteers for sending this case to the DNA Doe Project, and for their continued work to give a voice to the deceased."
